

Sustainable Transport

Commuting to work and business travel can be an essential but costly expense. However there are a range of alternatives that can enable effective working, reduce costs and your organisations carbon footprint.

Why travel sustainably?

- Positive PR
- Save money
- Reduce CO2 and contribute to your organizations
- Corporate Social Responsibility Strategy.
- Save Time

Quick Fixes

- Register with Carshare Shropshire and Telford to promote car sharing to employees for commuting to and from work, and for work.
- Promote smarter working practices such as flexible working hours, tele/video conferencing and home working
- Contact Telford & Wrekin Council's Road Safety & Sustainable Transport team for support to promote sustainable travel initiatives.
- Provide employees and visitors with sustainable travel information via staff intranet site, staff newsletter or notice board
