

Best Practice Site Visit / Natural Capital Accounting

Thursday 27 June 2019, 09:00 – 11:00

Venue: Craemer UK, Hortonwood 1, Telford, TF1 7GN

Agenda

09:00 Registration, Breakfast, Networking

09:25 Welcome & Introductions – Andy Whyte, BESST Chair

09:30 Opening presentation - Steve Poppitt – Director – Craemer UK

10:00 CRAEMER UK - Amber Poppitt

Craemer were one of BESSTs 2018 Business Awards winners and they will showcase the journey they took to begin creating their Eco Walk with employees

10:20 Alison Wakeman - Multi award-winning Educator & Guest Speaker – Alison's Bee Class

Alison will explain the highlights of the life within the beehive as well as focus of environmental importance of bees and demonstrate one way which she's helping the planet by reducing cling film use with reusable beeswax food wraps

10:50 SLR Consulting – Natural Capital Accounting

BESST Members SLR Consulting will talk about the move to include Biodiversity in UK planning legislation which means these will need to demonstrate a biodiversity net gain. Some companies are now creating Environmental Profit and Loss Balance Sheets and SLR can give examples of how this is being carried out

11:15 Tour of Craemer UK Eco Walk and site tour

The event will close at approximately 1200 but please note timings are approximate and may change slightly on the day

Please note sensible footwear will be needed for the Eco Walk & Site Tour

To book for this best practice visit please email Telford-besst@outlook.com
