

Compliance Event, Ricoh

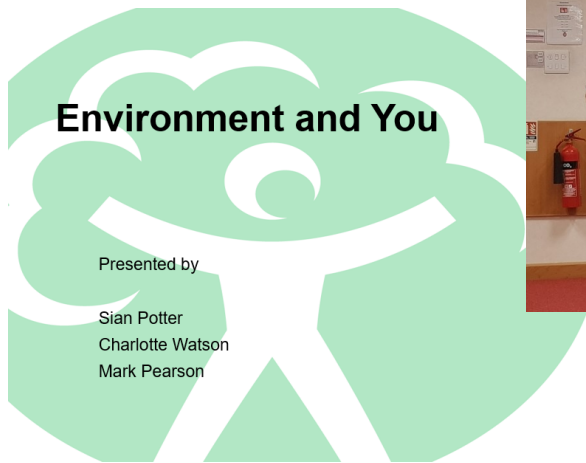

Wednesday 11 September 2019

Paul Nelms, Epwin Group hosted the event and introduced the speakers for the day

Environment Agency speakers Sian Potter, Charlotte Watson & Marc Pearson gave examples of pollution incidents, oil storage requirements and fly tipping. They also covered WEEE products and extended producer responsibility, including required licences, permits and Waste Crime

Andy presented on how BESST have contributed to a UK Sector Deal as part of the UK Resources Council. Using BESST's sector intelligence, Andy has been representing UK Manufacturing to ensure that the recycling infrastructure is maintained and increased to develop the Circular Economy and maintain business continuity.
